

YFT₁₀

FEATURES:

- > Powerful & Reliable: Air-cooled diesel engine, 10.3 HP output.
- > Excellent Operation: Multi-scenario adaptability.
- > Efficient & Durable: 275g/kWh low fuel consumption, long service life.

Item	Specification
Engine type	KOOP192F
Power types	Single-cylinder, four-stroke, air-cooled, vertical
Displacement (L)	0.499
Rated power (kW / rpm)	7.6/3000
Horsepower (HP)	10.3
Fuel types	Diesel oil
Fuel consumption (g / kWh)	275
Fuel Capacity (L)	5.5
Machine oil capacity (L)	1.65
Overall machine size (mm)	2870*1000*2030
Trace ground length (mm)	1200
Trace width (mm)	180
Max maximum depth (mm)	1700
Unload maximum height (mm)	1745
Excav maximum height (mm)	2580
Climbing capacity	30°
Walking speed (km/h)	0-2.5
Bucket excavation force (kN)	11.5
